

505B.2 Posting of policies on the internet.

Notwithstanding any contrary provision of [chapter 554D](#), an insurer may mail, deliver, or post on the insurer's internet site insurance documents, including policies, riders, endorsements, and annuity contracts that do not contain personally identifiable information. If the insurer elects to post an insurance policy or endorsement on the insurer's internet site in lieu of mailing or delivering the policy or endorsement to the insured, the insurer must comply with all of the following conditions:

1. The policy or endorsement must be accessible and remain accessible for as long as the policy or endorsement is in force.

2. After the expiration of the policy or endorsement, the insurer must archive the expired policy or endorsement for a period of five years, and make the policy or endorsement available upon request.

3. The policy or endorsement must be posted in a manner that enables the insured to print and save the policy or endorsement using programs and applications that are widely available on the internet and free to use.

4. The insurer must provide the following information in, or simultaneously with, each declarations page provided at the time of issuance of the initial policy and any renewal of that policy:

- a. A description of the exact policy or endorsement purchased by the insured.

- b. A method by which the insured may obtain, upon request and without charge, a paper copy of the insured's policy or endorsement.

- c. An internet address where the insured's policy or endorsement is posted.

5. The insurer must provide notice, in the format preferred by the insured, of any changes to the policy or endorsement, the insured's right to obtain, upon request and without charge, a paper copy of such policy or endorsement, and the internet address where such policy or endorsement is posted.
